

# English @

Hi Kids!

Welcome to the English department here at Sandhill View. We're sorry that we aren't able to meet you all in person, but that doesn't mean you can't impress us with your English language skills!

On the following page you will see a picture of a monster. We chose this because – if you choose SHV to be your next school – one of the first things you will do is work towards creating a truly chilling monster story of your very own!

For the time being though, you can show us what you can already do by completing the sentence and describing the monster on the next page. All you need to do is choose an **adjective**, **noun**, **verb** and **adverb**, which together make a sentence which you feel creates the most terrifying description of the monster!

The **adjective** should describe the monster (e.g. *hideous*)

The **noun** should be the type of monster (e.g. *beast*)

The **verb** should describe how the monster moves (e.g. *crawled*)

The **adverb** should describe how the monster moves (e.g. *slowly*)

When you are happy with your completed sentence, ask your parents to email your submission to the address at the bottom of this page, and we will select the sentence we think is the most impressive.

Good luck!
