What is 'Keeping Children Safe' about?

- All of the adults around you think that your health, safety and welfare are very important.
- In our school, we respect our pupils and help to protect their rights.
- We do our best to help our pupils make good educational progress.
- We teach our pupils how to recognise risks in different situations, and how to protect themselves and stay safe.

How will we try to protect you?

- We try to provide a safe environment for pupils to learn in;
- We want to help to ensure that pupils remain safe, at home as well as in school;
- We think it is important for you to know where to get help if you are worried, unsure or unhappy about something or someone.

Need to talk?

You can talk to any adult in school if you need to.

Mrs O'Donnell & Mrs Johnston are our staff specialists in child protection.
